**OCT 11**  
**ALAN R. WAKEFIELD GOLF TOURNAMENT**

## ROTARY LEADERSHIP INSITUTE

Rotary has a constant influx of new leadership since our club presidents and club officers may change every year. It is important that club leaders have every opportunity for education and it is often difficult at the club level to learn enough about the exciting world of Rotary. A large part of success of our clubs depends on the quality of our leaders.

Rotary Leadership Institute offers a leadership development program in 3 one-day fast-paced, interactive sessions to provide Rotary knowledge and to develop leadership skills for the future leaders of Rotary clubs and districts.

**The RLI schedule for the year:**  
Sept. 14, 2019  
*Norco High School*  
Dec. 7, 2019  
*Palm Desert High School in Murrieta*  
March 7, 2020  
*TBA*

**Register now! The club will pay for your training!**

## SPECIAL LOCATION FOR AUGUST 9TH MEETING!

We will have our off-site Friday lunch at the Glen Ivy Golf Club (not at TAPS on 8/9). The club is 5-minutes south of Dos Lagos Shops, next to the hot springs. Come early and have an adult beverage in the Grill. This is an excellent opportunity to see the course and new facility and get some ideas for our tournament, which will be held there on October 11th.

Jason Lunde, GM of the club, will be our guest speaker to give us an update on the "happenings" around the golf club, and some insights on future plans at Tom's Farm (Sunny is the owner of both Tom's and the GI golf club).

We will need a firm RSVP to be sure we have the proper number of lunches ordered. Bring a guest(s), spouse/boyfriend/girlfriend (or both if you have them). **RSVP to Bob Jaques.**

If anyone is interested in playing golf at Glen Ivy, prior to our August 9th meeting, I booked three tee times (6:54, 7:03, 7:12). Let me know by this Friday if you want to play. The green fee is \$45. We should finish shortly after 11:00, in time to settle side bets, have a beverage, and roll into the meeting. First three foursomes get in.

**CORONA ROTARY CLEAN WATER PROJECTS**

The project entails drilling water wells in villages to allow the children to attend school instead of walking to and from the over used wells. This is a very dangerous trip for the kids because there is still a large slave trade in the area.
