## PRESIDENT'S MESSAGE

Hello fellow Rotarians,  
Happy August to you all. It has been great kicking off the year with you. Our July social to Doheny Beach was a lot of fun. From the yummy food to Cornhole, Ladderball, fellowship, sunburns and lots of laughs it was a great day.

Thanks to everyone that was able to make it out and I look forward to planning another one.

August is membership and club development month. With that our Rotary district 5330 is hosting a "member orientation" training on Monday, August 11<sup>th</sup> via zoom if anyone is interested in attending. I know I'll be there. In addition, we'll be

having a visit from our District Governor Nyron McLean on Friday August 15<sup>th</sup>. I ask that you all please show your support by planning to attend this weekly meeting. He has asked to meet with our leadership team and board of directors at 11:00am that day, just prior to the start of our regular meeting. This includes the president, president-elect, president-nominee, secretary,

treasurers, our eight board members, and committee chair leads.

We will be having a club assembly on Friday August 22<sup>nd</sup> to recap and review our June Lobsterfest and plan for future events. We are at a turning point and want to hear your thoughts. Club assemblies are for members only to discuss club business. To round out the month our

next club social is scheduled for Thursday Aug 28<sup>th</sup> 5:30pm at Karl Strauss in Dos Lagos. This is the old Taps location. As a reminder these socials are designed to be a more relaxed environment without a formal meeting agenda so that we can hang out and have fun getting to know each other. These socials are also a great way to introduce a prospective new member to our club. We will be dark (no meeting) on Friday August 29<sup>th</sup> in observance of Labor Day.

We are working on putting together a day at the horse races. This will be a special social event outside of our regular schedule. We are looking at Sunday November 2<sup>nd</sup> at Del Mar. We have not had this event in several years and it has been requested multiple times as a crowd favorite so please save the tentative date as more details

are to come.

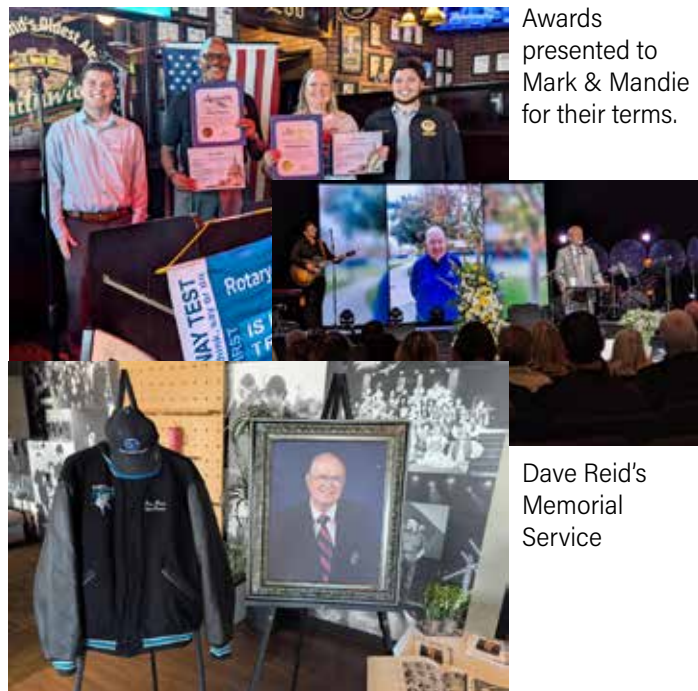

A calendar is also being put together for our community service projects including another trip to Corazon. The district is looking at November 15<sup>th</sup>. This was another very well received trip and I'm looking forward to having our club's full participation. Isn't this why we joined Rotary, to be people of action?

I understand I just through a lot of dates and information at you, but I'm pumped up for all the great things we have coming up in the next couple of months. So, stay tuned and let me know if you have any questions.

"Just one small positive thought in the morning can change your whole day"
