PRESIDENT'S MESSAGE

My Friends,
September promises to be an exciting month for the Rotary Club of Corona. Friday, September the 4th will be dark in honor of the Labor Day weekend. So our first meeting of September will be a date familiar to all of us 9/11. I want all Rotarians to take a moment and reflect on the impact that the events of that date 25 years ago has had on us as a country, a club and as individuals. The speaker for that date has not been determined, we hope to have a message appropriate for that occasion.

Also that same weekend, September 11-13, the Rotary

District 5330 will sponsor the Corazon Project, the construction of a home in Mexico for a needy family. The Corona Rotary has supported this project with volunteer labor and financial support for many years. I salute these Corona Rotarians that are involved in this very

worthwhile project.

The following week will also have a memorable meeting. Our District 5330 Governor, Richard Lemire, will be visiting the Rotary Club of Corona on September 18th. This will be an important day for us. We will have our September Board of Directors

meeting at 11:00 am at the Karl Strauss Brewery followed by our regular 12:15 meeting. I urge all director and members to mark that day on your calendars and make every effort to attend.

We finish the month with the now traditional 4th week activity, the Rotary Social. At this writing the time and place has yet to be decided, but it is a great opportunity for our club to come together in an informal atmosphere to eat, drink, talk and enjoy fellow club members. Please join us and bring a friend. We all look forward to the Rotary Socials.

Thank you,
Chuck Komrosky
President, Corona Rotary
